DESCRIPTION

This 3-room apartment on the top floor boasts a large sun terrace and was completely renovated in 2021. A sophisticated renovation concept ensures that every detail has been thought of and everything has been planned and implemented with the utmost care.

The high-quality oak wood flooring was glued down and lends the apartment an appealing charm. The living-dining area scores with a swivel-mounted TV, while the kitchen is equipped with as-new electrical appliances and a raised dishwasher. The bathroom impresses with a walk-in shower and built-in cupboards from the carpenter. A separate WC with washbasin offers additional comfort.

The spacious bedroom has a built-in wardrobe for ample storage space. The children's room can also be used as a home office.

The apartment is also equipped with numerous smart features, including USB slots in the sockets, voice control for the lights and intelligent switching relays.

An extra-long underground parking space and a cellar compartment, which is supplied with electricity, offer additional convenience and storage space. The heated driveway to the underground garage ensures pleasant conditions even in winter.

The location in Rif is quiet and close to the Königsseearché, which ensures pure relaxation. The Olympic sports center is within walking distance and schools,
